

CPI provides real value for Members and offers a wide range of services and benefits.

Publications

Daily Data Concise daily bulletins keep Members up-to-date with industry related developments in the media and Parliament.

CPI News Issued every fortnight, CPI News highlights the latest consultations, statistics, training opportunities and events, and other industry-relevant information.

Quarterly Review The review keeps members abreast of CPI's activities and achievements throughout the preceding quarter, whilst also conveying the state of the global economic climate and UK paper and board industry market.

FACT

Almost 9 million tonnes of paper and cardboard products are collected for recycling in the UK each year

Annual Review CPI publishes an Annual Review which includes CPI's comprehensive industry statistics 'Key Industry Facts'.

Fact Sheets CPI produces a range of

Fact Sheets, covering many of the issues facing the paper industry and which are often highlighted in media articles. Fact Sheets can be downloaded from our website.

Industry Events

Members have the opportunity to participate in CPI activities including: seminars and training courses; Senior Management Symposium; Biennial Health and Safety Conference; CPI and Sector Body Councils and committees; and Regional meetings.

Industry Statistics

CPI produces in-depth industry statistics for Members, and contributes to European and global data bases. Regular analyses are provided on such topics as production and sales, stocks and movements of inventory, and on a range of environmental indicators. Associate Members receive a monthly headline summary of industry statistics.

Health and Safety

Health and Safety is a key focal point across the industry, and CPI Members are kept informed about Health and Safety Regulations and Best Practice. CPI works in partnership with the Health and Safety Executive (HSE) and trade unions, through the Paper and Board Industry Advisory Committee (PABIAC), to agree new policies for the industry.

Employment Affairs

Members benefit from comprehensive advice and support on any employment related matter. Members can also benefit from CPI's national wage negotiations with trade unions. CPI's jointly developed Partnership Agreement with the unions, Unite and GMB, is held up by the unions as a model for use in other industries.

CPI Website

CPI's website hosts a wide range of publicly available information on the industry. A Members Only area, available only to Full Members, contains committee meeting papers, current issues, consultation responses, statistics, newsletters and other relevant information. The website can be accessed at: www.paper.org.uk.

CPI's Fact Sheets provide factual information on current paper-related issues
